HOW TO FOLD AN ORIGAMI LEAF

1
Place the square paper diagonally in front of you.

2
Fold paper in half horizontally.

3
Unfold and cut the paper on the folded line.

4
Place the triangle shape paper in front of you.

5
Fold over the long bottom edge about 5mm.

6
Make sure to run your finger tip along the fold line.

7
Turn it over and then fold the bottom edge again.

8
Repeat until you have a narrow strip of paper.

9
Fold the narrow strip in half in the middle.

10
Make sure you have the long side of the strip inside the fold.

11
Press firmly.

12
Apply a small amount of glue and press down both sides.

13
Unfold the leaf. Done!
