

ORIGAMI DOG

Origami, the Japanese artisanal tradition practiced by Lexus takumi, leverages nuanced human touch in the creation of artwork made from a single sheet of paper.

Tools:
Origami Paper

Create your own origami masterpiece at home by following these simple steps.

HOW TO FOLD AN ORIGAMI DOG

Place the square paper diagonally in front of you.

Fold the paper in half.

Fold top right corner down to create ear.

Fold top left corner down to create second ear.

Fold bottom tip up to create mouth.

Fold printed side of nose under.
Done!
